Authorship and Responsibilities

Anyone who makes significant intellectual contribution must be given authorship.

Every author must be involved in planning, implementation and analysis of the research study and its presentation in the form of the manuscript. In case some clarification is sought, they should be able to reply to the queries.

Authors should be ready to take public responsibility for the content of the paper.

All the authors in a manuscript are responsible for the technical information communicated. For this reason it is necessary that all authors must read and approve the final version of the manuscript before signing the consent and declaration form.

*Conflicts of interests if any, the details must be declared in a separate sheet.
